#### PRODUCT DESCRIPTION

R-S200 SURFACE CLEANER is formulated to remove sanding residue, dirt, oil from hands, and light surface contaminants. R-S200 will also reduce static on fiberglass and plastic parts. Designed to be used before initial prep and final surface preparation prior to painting. R-S200 is compliant in all VOC areas.

#### APPLICATION INFORMATION

READY-TO-USE.

1. Soak clean cloth with R-S200 or use a pump sprayer to apply.
2. Wipe or spray R-S200 on the surface.
3. Dry the surface with a clean cloth before production dries.

#### NOTE:

If R-S200 dries on the surface without wiping it off, reapply and wipe dry.

#### SAFETY INFORMATION

KEEP OUT OF REACH OF CHILDREN. USE ONLY WITH ADEQUATE VENTILATION.

**WARNING!** Contains material that may cause target organ damage. May be harmful if inhaled, swallowed or if in direct contact with skin. Do not breathe vapor or spray mist. Do not ingest. Do not get in eyes or on skin or clothing. Contains material that may cause target organ damage, based on animal studies. NOTICE: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and central nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Use only with adequate ventilation. Do not breathe vapor or spray mist. Ensure fresh air entry during use. Open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH approved) during and after application. Follow respirator manufacturer's direction for respirator use. Keep container tightly closed when not in use.

Avoid contact with eyes, skin and clothing. Do not get in eyes, on skin or clothing. Wash thoroughly after handling.

FIRST AID: IF SWALLOWED: Wash out mouth with water. DO NOT induce vomiting unless directed by medical personnel; immediately call Poison Control Center and have label available. FOR SKIN CONTACT: Wash thoroughly with soap and water. Remove contaminated clothing and shoes. Get

medical attention immediately. Wash clothing and shoes before reuse. FOR EYE CONTACT: Flush eyes immediately with plenty of fresh water. Remove contact lenses. Continue eye flushing with water for at least 15 minutes occasionally lifting upper and lower eyelids; get medical attention immediately. FOR INHALATION: If you experience difficulty breathing, leave area to obtain fresh air. If continued breathing difficulty is experienced, get medical attention immediately.

Wear appropriate personal protective equipment. For skin protection wear protective clothing impervious to ingredients listed. For eye protection wear safety glasses with side shields or splash-proof goggles. Avoid eating, drinking and smoking in areas where this material is handled, stored or used. Empty containers retain product residue and can be hazardous. Do not reuse container.

If spilled, contain spilled material and remove with inert absorbent. Dispose of contaminated absorbent, container and unused contents in accordance with local, state and federal regulations.

Transport and Store Upright Only in original container and protected from direct sunlight or heat exposure. Do not store in unlabeled container. Use appropriate containment to avoid environmental contamination. Before opening container, read all warning labels. Follow all precautions.

CONTAINS: Water (7732-18-5), Potassium Hydroxide (1310-58-3), Butyl

Cellosolve (111-76-2), Ethoxylated Undecyl Alcohol (127036-24-2)

**Refer to Material Safety Data Sheet available from your dealer for further safety and handling information.**
